

Appendix to Platinum Award No. 1927, Report No. GRS2017-016750
One Magnificent 23.43 ct "Vivid Green" Emerald

One magnificent ring with a faceted center stone with an extremely rare combination of size (23.43ct, indicated by the client), excellent color variety (GRS type "vivid green"), excellent transparency, excellent brilliancy and spared of clarity enhancement.

A handwritten signature in blue ink, appearing to read 'Dr. A. Peretti'.

Dr. A. Peretti
Director GRS
