Remarks

Expedition Yacht- we hear the term often these days, however few vessels are truly provided the opportunity to go exploring, however INDIGO has circumnavigated the globe with her current owners onboard, including ALL ocean crossings, during a six year, 60,000nm adventure, including rounding Cape Horn and traversing the fabled Northwest Passage!

INDIGO is a rare blend of proven, capable, global cruiser while providing the comfort, luxury, and finish of a world class "white yacht".

INDIGO has proven to provide complete comfort and security for the owner and his guests and is ready for another global exploration.....where will YOU go?
