OVERVIEW

A Great opportunity to beat the waiting list and save on the new price.

The Sunseeker 90 Ocean has pushed the boundaries of what a 90ft boat can offer in terms of volume and is one of the most exciting new models to leave the Sunseeker Factory moving into the next Generation of technology and interior design and the Sunseeker 90 is possibly the finest example built to date.

She is offered for sale in as new condition having only been privately used from new and professionally maintained by her full-time captain and crew.

Her specification is extensive including the Flybridge Hot Tub, Larger MAN Engines with 5-year extended warranty, and the Award winning Sunseeker Xtend™ system.

The Sunseeker Xtend™ System forms part of a truly superb transom area which measures over 6M in width and offers vast entertaining space for family time with water toys, including a Williams 460 Jet rib and a Yamaha Waverunner Jet ski. This area is also shaded by an overhead electric canopy and a removable parasol.

Her interior is finished in Smoked Figured Eucalyptus and with complementing soft furnishings the spacious interior offers outstanding living space that would normally be found on a much larger yacht.

ACCOMMODATION

4 Cabins, 8 Guests

2 Crew Cabins and 4 Crew

The lower deck is made up from a spacious, full beam master cabin, a large forward VIP double cabin, the final two cabins consist of a double guest and twin guest cabin. All cabins come equipped with their own private en-suites.

The flybridge is a staggering 25% larger than a comparable yacht and owners can select an infinity spa pool and sideboard with second integrated BBQ.

A wet bar with stainless steel sink, drawer fridges, ice maker and glass bar top are also available to make the most of this popular entertaining area.

Its unique main deck, penthouse style saloon, measuring a remarkable 8.8m in length by 5.6m width and luxurious staterooms offer a new-found design direction and materials selection providing elegant interiors to enchant any owner.

The interior finish combines traditional elegance with contemporary updates.

The layering of textural elements and the mix of furnishings and fabrics feels timeless with a modern twist that oozes sleek simplicity and sophistication.
